## Attendance Reminders

- When a student is absent due to illness, parents are asked to verify the absence by either emailing the school office at [MBSabsent@mbsbr.org](mailto:MBSabsent@mbsbr.org) or calling the school office before 9:00am.
- Students who arrive at school after 7:45am must be walked into the school office by a guardian who will sign the student in. The student will be given a tardy slip to admit to class.
- Students who check out of school due to illness cannot return to school until they have been fever-free without medication for 24 hours. Children with a fever at school must be picked up immediately.
- Early check-out procedures are similar. Parent/guardian must report to the school office who will sign the student out. The latest time to check out a student is 2:15pm.

## Handbook Reminder (repeat of last week)

### Retention, Conditional Promotion, Remediation

The ultimate decision regarding retention or conditional promotion is supported by academic performance records and determined by the principal in consultation with teachers and school counselor.

★ Pre-Kindergarten and Kindergarten: Promotion will be determined by satisfactory mastery of core standards targeted for readiness for kindergarten and 1st grade.

★ 1st Grade: A student may not be promoted if he or she is not progressing, fails reading or achieves lower than an 75% in reading or math for the year.

★ 2nd and 3rd Grade: A student shall not be promoted if he or she has failed two or more major subjects (Language Arts, Math, Reading, or Religion).

★ 4th through 8th Grade: A student shall not be promoted if he or she has failed two or more major subjects (Language Arts, Math, Reading, Religion, Science, or Social Studies).

Retention will be seriously considered for a child who has not achieved competence in all subject matters.

A student who fails a subject for the second semester fails that subject for the year. Students in grades 2nd through 8th who fail only one subject may be passed conditionally. The student must successfully complete approved summer remediation as designated by the administration. Failure of the same major subject in two consecutive years will result in retention.

**May 21st : Saint Constantine**

Today we remember St. Constantine.

Constantine was proclaimed emperor when his father died six years earlier. One of the father's generals thought he should be emperor and so a battle began between the two men.

Constantine became the true Emperor. He played an important role in elevating the status of Christianity in Rome, decriminalizing Christian practice and stopping Christian persecution. This was a turning point of the roman empire.

**Saint Constantine...pray for us.**

# Keep the learning going this summer with IXL!

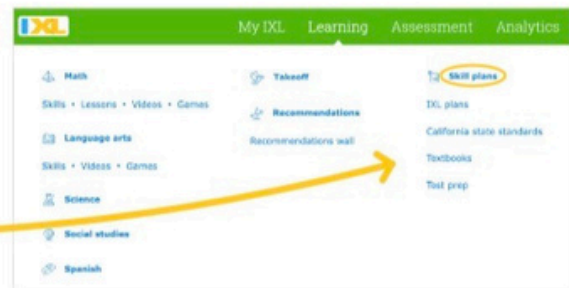

Exciting news: your child will have access to IXL all summer long! To get started, simply have your child sign in to IXL and start working on skills.

And, easily find the right skills to prepare your child for next school year with IXL's **Summer Boost skill plans**. These ready-made sets of essential skills prepare kids for their next grade level. Have your child work through these day-by-day recommendations over the summer to give them a strong start next school year.

## How to find the perfect IXL skills for summer

# 1

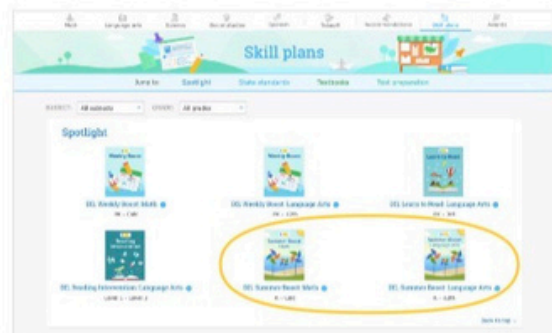

Once signed in to IXL, hover over Learning in the green toolbar and click on **Skill plans**.

# 2

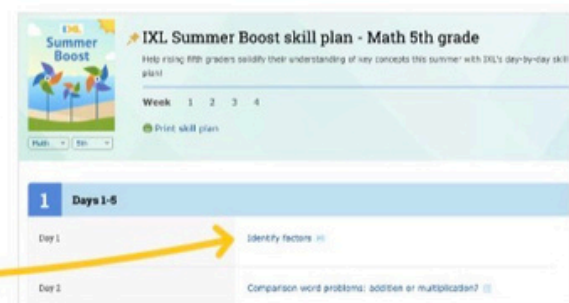

Click into a **Summer Boost skill plan**, located at the top of the page in the Spotlight section.

\*Hint: If a child just finished 4th grade and is a rising 5th grader, click into the 5th grade skill plan.

# 3

Your child can begin working on the **skill plan** by clicking into the first skill. We suggest following the pacing guide on the skill plan.

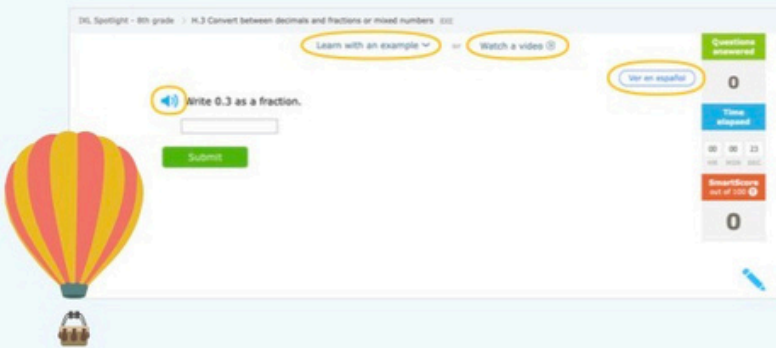

# Tips for Success

## Work to a SmartScore of 80

For each IXL skill, your child should work to a SmartScore of 80, which is considered proficiency. This assures that they have a really good grasp on the skill.

If your child achieves proficiency and is ready for a challenge, they can always strive for mastery—a SmartScore of 100!

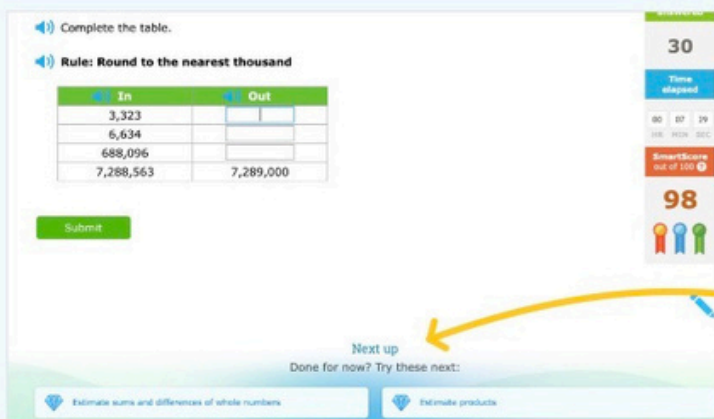

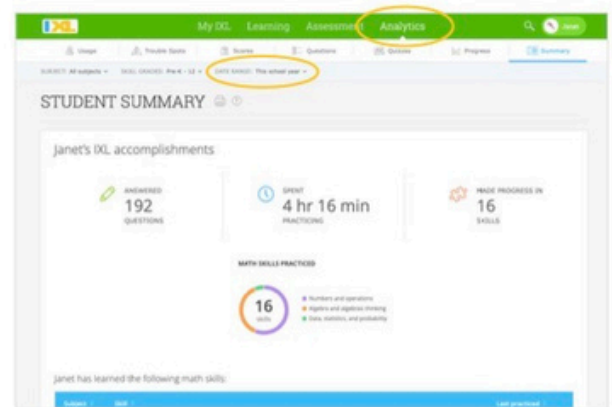

## In-the-moment support

IXL provides built-in tools to assist kids learning on their own. This includes audio support, Spanish language support, video tutorials for key math and language arts skills, and immediate feedback with step-by-step explanations.

## Track your child's progress

See how your child is progressing and where you can help them grow. Navigate to Analytics to open the Student Summary report.

Change the date range to filter for your child's summer progress. You'll see all their recent accomplishments, which skills they need additional help on, and ways that you can provide extra support with IXL.

## Go above and beyond

Challenge your child with a "Next Up" skill! After kids have reached a SmartScore of 90 in a skill, IXL recommends "Next Up" skills that build upon what your child just learned so they can continue to advance.

## PARENTS' COMMITMENT TO CHURCH & SCHOOL

---

Enrollment and/or continued enrollment at Most Blessed Sacrament Catholic School requires a commitment to ALL of the following:

- **Prayer and Mass** – Families must commit to daily prayer at home. Catholic families must attend weekly, Sunday, Mass on Holy Days of Obligation. Non-Catholic families must attend Sunday services at their home church.
- **Service** – Twenty (20) hours of Time and Talent given to the school and/or Church each year. Hours must be completed between January 1 and December 31 *to receive the in-parish tuition rate*. These hours are reviewed each year. Definition of an hour of Time and Talent: an actual hour of volunteer work or donation purchases of \$10
- **Weekly Church Offering** – A minimum amount of \$325 will be donated to the Church to support the stewardship program as an Identified Offertory Giver (IOG). Those donations must be made through weekly use of MBS church envelopes, automatic church deductions, or online giving through the church website. Catholic church members who meet the *IOG requirement will receive the in-parish tuition*. Donations will be verified by December 15 unless otherwise authorized by the Pastor/Principal. Any offerings thereafter will count towards the following year.

Catholic families meeting these requirements will receive the in-parish tuition rate. Any families who have not met the stewardship commitment requirements will receive either the Catholic Out-of-Parish tuition or Non-Catholic rates.

### New Students

Time and Talent hours are prorated (10 hours) for new students. New Catholic families must also meet the IOG requirement of \$325.00 to receive in-parish tuition the following school year.
