Most Blessed Sacrament Mission and Vision

Most Blessed Sacrament Catholic School serves our Church, its families, and the community by nurturing Gospel values, academic excellence and a lifetime of prayer and service.

The vision of Most Blessed Sacrament is a community, rooted in the Catholic teachings of Christ, where students belong, feel loved, are respected and encouraged, and have a future filled with promise and possibilities.

Strategic Plan 2031 – Rooted in Purpose and Faith

A Message from our principal...

Dear MBS Families,

At Most Blessed Sacrament, we believe parents are the first and foremost educators of their children. It is our privilege to partner with you in nurturing each child's God-given gifts and helping them become the person God created them to be. Together, we strive to create a school where every child is known, loved, challenged, and encouraged.

Our Catholic faith is the heart of all we do. Rooted in the Real Presence of Jesus Christ in the Eucharist, we seek to form students who grow in faith, pursue excellence, discover their purpose, and become joyful disciples and faithful leaders.

The MBS Strategic Plan 2031: Rooted in Purpose and Faith, builds upon our strong MBS foundation while looking toward the future. We have already begun this important work, and in the years ahead, we will continue to grow and strengthen our school community.

This vision belongs to all of us. We ask each MBS family to prayerfully consider the role you will play in shaping the future of our school. Together, rooted in faith and united in purpose, we can continue to make MBS a place where our children flourish.

Blessings,

Cheri M. Gioe, Principal

Strategic Plan 2031 – Rooted in Purpose and Faith

In the spring of 2026, as part of the LUMEN Accreditation process, Most Blessed Sacrament School began developing Strategic Plan 2031: Rooted in Purpose and Faith, building upon the foundation of our previous strategic plan, *Vision for Our Future*.

A Strategic Planning Committee was formed to guide the process and gather input from our MBS community. Stakeholders were invited to reflect on our school's past, present, and future through an online questionnaire and three focus group opportunities held at various times to encourage participation.

The committee carefully reviewed and identified common themes within the feedback received, organized those themes into strategic priority areas, and discussed strategies to address each area.

The resulting plan represents our shared vision for the future of Most Blessed Sacrament School and provides a roadmap for continued growth, rooted in our Catholic faith, our purpose, and our commitment to our students and families.
