MBS Sunday Message – November 8
You Are God's Masterpiece – Created for Purpose Ephesians 2:10

From the Principal's Desk…

I woke up this morning to temperatures that finally felt like fall! I think fall may be my favorite season. It is filled with opportunities to spend time with those we love and memories of loved ones who have gone before us.
In South Louisiana, fall means LSU football, school sports, pep rallies, homecomings, festivals, hayrides, Halloween, All Saints Day - prayers for those who have passed - blessings of the graves, and, just around the corner, Thanksgiving. So many simple, joyful moments that become treasured memories and remind us of God's many blessings.
As you enjoy this beautiful fall day, I encourage you to slow down, spend time with those you love, remember those you miss, and thank God for the gift of both. After all, our greatest God-given blessings are the people we love and the time we share with them.
In Christ,
Cheri M. Gioe, Principal
