**Participants choose a series of impact sessions to attend each morning of the conference. The series options are:*

Held in Lucas Oil Stadium, this inspiring morning experience features incredible keynote speakers, uplifting worship, and powerful moments of prayer with thousands of Catholics from around the United States.

Encuentro - Todos están invitados a esta sesión – desde católicos recién iniciados en la fe hasta los católicos de nacimiento. La experiencia de la mañana será animada por charlas de presentadores principales increíbles, música de alabanza, y poderosos momentos de oración con miles de católicos provenientes de todas partes de los Estados Unidos.

Empower - For those looking for a more intimate morning session, this community-focused experience will be a perfect fit. This morning session series features incredible Catholic evangelists who will provide practical ways we can share our faith with others and engage our audience in a smaller setting. Each morning session provides more personal moments of prayer and an opportunity to meet and share with other conference participants.

Renewal - This special community-focused morning session is for anyone who works in parish, diocesan, or apostolate lay ministry. Keynote speakers include some of the most respected names in ministry and attendees can expect plenty of time for discussion, question and answer time, and renewing moments of prayer with other workers in the vineyard.

Cultivate (Family Experience) - Become a family on mission during this morning session designed for families to experience together. Enjoy vibrant keynotes that will speak to both parents and children of all ages, engaging worship music, and plenty of opportunities for family prayer and discussion.

Awaken (Youth Experience) - Teenagers hold a prominent spot in any revival and the youth experience at the Congress will be a powerful moment of encounter for every teenager who attends. Youth will attend large morning sessions and afternoon breakouts created specifically for teenagers and then will participate in the evening sessions with the rest of the general assembly as a part of this historic moment.

Abide (Priest Experience) - This special experience has been prayerfully cultivated to offer sessions of reflection, fellowship, and prayer, inviting priests into greater intimacy with Jesus Christ, the Great High Priest. Join your brother priests at these sessions to hear from renowned presenters who will offer practical insights into how you can balance your interior intimacy with Jesus and the servant leadership your priestly ministry demands of you.
