A MATCH MADE IN HEAVEN

The Angel Lagoon is changing the recreational landscape of northeast Houston in a bold new way. This 40-acre entertainment district is located adjacent to the entrance of River Ranch and is the first dedicated Crystal Lagoons® Public Access resort in Texas. It is quickly becoming a showcase for their award-winning concept of white sand beaches and turquoise water, with a ticketed entry, event lawn with a live-performance stage and the new restaurant and bar called the Shoreline Grill. Additional features coming soon include the National Sailing Club water sports amenities, boat docks, beach volleyball courts, a swim-up bar named the Aqua Bar, a tranquil hammock space and rentable cabanas. For more information or to book your event go to AngelLagoon.com.
