A MATCH MADE IN HEAVEN

The Angel Lagoon is changing the recreational landscape of northeast Houston in a bold new way. This 40-acre entertainment district is located adjacent to the entrance of River Ranch and is the first dedicated Crystal Lagoons® Public Access resort in Texas. It is quickly becoming a showcase for their award-winning concept of white sand beaches and turquoise water, with a ticketed entry, event lawn with a live-performance stage and the new restaurant and bar called the Shoreline Grill. Additional features coming soon include the National Sailing Club water sports amenities, boat docks, beach volleyball courts, a swim-up bar named the Aqua Bar, a tranquil hammock space and rentable cabanas.

For more information or to book your event go to AngelLagoon.com.

CONNECT WITH FUN

The River Ranch private amenities just for residents are all connected through the community with sidewalks and a 12' super trail called GreenBolt™. This patented trail system provides residents with an extra-wide transportation path to amenities within River Ranch and to the adjacent Angel Lagoon.

DAYTON ISD

Families in River Ranch can feel confident knowing their children attend schools within the Dayton Independent School District (DISD), which is dedicated to fostering academic excellence, personal growth and has been recognized for students earning national accolades.
