## Launch Your Biotech Career: Apply for the 35Pharma 6-Month Graduate Traineeship

Are you a recent graduate in **life sciences, pharmacy, data science or a related discipline**? Curious about what a career in biotech looks like?

At **35Pharma**, we're offering ambitious graduates the opportunity to gain first-hand industry experience through our **Graduate Trainee Program**—a 6-month, full-time, paid program designed to shape the biotech leaders of tomorrow.

## What You'll Get:

### Hands-on exposure

in a clinical-stage biopharma company.

### Access to training

we will provide technical, business and soft-skill training critical for a biotech career.

### Onsite experience

with potential for cross-functional rotations based on interest.

### Mentorship

from experienced industry professionals.

### Final presentation opportunity

to showcase your impact and learnings during the traineeship.

### Potential for full-time role

after the program subject to interest, performance and availability.

### Start Date:

October 1, 2025; applications for fall intake close September 21

### Location:

Onsite at 35Pharma HQ, Montreal, Canada

### Who Can Apply:

BSc, MSc or PhD graduates (within one year of graduation) in life sciences, medicine, pharmacy, data science, or a business-related field
