

# Patterson's Schools, Roads, and Parks are Being Held Back.

Patterson families want what every community deserves. Better roads. Good schools. New parks and local amenities.

But those things require smart growth and good faith relationships between the City and local businesses.

Instead, Patterson's been stuck. Housing projects are blocked. The tax base isn't growing. **And the same law firm, White Brenner LLP, Patterson's legal counsel, keeps showing up at every roadblock.**

What's the common denominator?

**You do the math.**
