Seasonal Selections - Just ask!

In 2007, the Uryasz family planned to open a small restaurant in Ashland, Nebraska,
where a family cabin has been the gathering place for five generations. But on Christmas morning 2009,
a fire destroyed several downtown buildings - including their future restaurant.

In 2020, the Uryasz family decided to try again - this time purchasing five acres at Highways 6 and 66.
With rising tourism and a growing local population, they envisioned more than a brewery:
an entertainment destination with pickleball courts, a brewhouse and full bar, restaurant with a diverse menu,
spacious yard, and rooftop deck - a place for fun with the entire family. Although modern in design,
Ashland Brewing Company draws inspiration from the relaxed charm of the family's cabin.

Thank you to the many people who have inspired, planned, designed, built and furnished
Ashland Brewing Company. Many of them live in the Ashland area. Special thanks to the staff
who are working hard to ensure you enjoy your time here.

At Ashland Brewing Company, there is something for everyone to do - even if that's nothing at all!
