

SEPTEMBER 2025

Dear Parents,

What a joy and responsibility it is to be teaching your children! They are very special individuals with different abilities and talents, fun to get to know and to have in class.

Our curriculum, "In the Beginning", is based on the creation story in *Genesis*. Each month will have a different theme, and all parts of instruction will fit together under this theme. The September theme is Day 1 of Creation - God Created Day and Night. We will learn about light/dark, colors, shapes, letters and numbers. The spiritual emphasis is on God's almighty power, and obedience is our response to Him. Our slogan this month is **"The happy way is to obey"**.

We are always happy to speak with you, but we need to refrain from long conversations during school because this takes our attention away from the children. If you wish to schedule another time to talk, please do so.

Sincerely,
Miss Rhonda
Miss Katie

IMPORTANT DATES:

Monday, Sept. 1 – CDC CLOSED for Labor Day

Friday, Sept. 26 – Donuts with Dad

*Please note that we will meet in the **sanctuary** every:*

Monday @ 8:30 for Good News Club
