

February 2026

Dear Parents:

We are well on our way this year in so many areas- colors, numbers, letters and most important of all, learning that God created all things for us to use and enjoy. This month we will be emphasizing God's love and plan for each person and His kindness toward His people. Our character word is "Friendship" with the slogan, "A friend always cares and is happy to share."

We also will be talking about Day 5 of Creation, learning about the fish and birds God created. We encourage you to look at pictures of fish and birds with your children and let them bring in pictures for a collage. Please remember to help your child learn the special Bible verses each month.

February is an especially good time to talk about God's love for us and our love for each other as we learn about friendship. We'll continue to work on numbers and letters. We will be using scissors, and it would be helpful to practice with your child at home.

The children are welcome to bring in valentines and candy for others in the class, but **please NO candy with peanuts or peanut butter. Please DO NOT address the valentines, so that we won't miss anyone. Please send them in by Wednesday, February 11th.** We will exchange them Thursday, February 12<sup>th</sup> and Friday, February 13<sup>th</sup>. (Miss Rhonda's class- 15 children, Miss Katie's class- 15 children.)

"Beloved, let us love one another, for love is from God..."

1 John 4:7

Sincerely,

Miss Rhonda

Miss Katie
