

February 2026

Dear Parents:

February is all about love! We'll talk about what a valentine is and why we make them and give them to people . . . to show our love. This presents us with a wonderful opportunity to reinforce and talk about the love of God for us, the love of God for children, and the love of God for all things He made.

Our character word is "Friendship" and our slogan is... "A friend always cares and is happy to share."

We will celebrate Valentine's Day on the 13th, and your child is welcome to bring valentines for others in our class. **Please DO NOT put a name on them. Please put YOUR child's name on the back of each Valentine.** Please bring in valentines by Wednesday, February 11th to exchange on Thursday, February 12th and Friday, February 13th. There are 11 children in our class. We will make a special bag for each child to bring home the valentines they receive.

In February, we will be focusing on Day 5 of Creation, when God created birds and fish.

We are looking forward to having a fun time this month!

Lovingly,
Miss Fern & Miss Helena
