

MUST LOVE DOGS GREENVILLE ITINERARY

MORNING

Start your morning at Sugar Coated Bakery. The outdoor patio is an ideal spot for your furry friends. After breakfast, explore the 9-mile Greenville Greenway system or hike a trail at Wildwood Park or River Park North.

By the way, if you're planning to add a furry friend to your family, make an appointment to visit the Humane Society of Eastern Carolina or Pitt County Animal Shelter.

AFTERNOON

Visit Basil's Restaurant & Pizzeria for lunch on the patio, and your pup will also get treated to a yummy frozen treat and a fresh bowl of water.

Make a visit to The Standard Dog Salon & Supply Co., a premier dog grooming service provider and dog boutique. From pet supplies and accessories to treats and toys, your pup is sure to love this shopping experience.

EVENING

There are dozens of restaurants in Pitt County with outdoor patio spaces that welcome dogs. For downtown Greenville dinner options, you can try Christy's Euro Pub or Sup Dogs – both with dog-friendly outside spaces where furry friends are always welcome.

An evening out doesn't have to exclude your pets. Local Oak Brewing Co., Pitt Street Brewing Company, and Uptown Brewing Company all have patio spaces where dogs are welcome!
