

ADVENTURE SEEKERS GREENVILLE ITINERARY

AFTERNOON

Enjoy a packed lunch at one of the many picnic tables and shelters before heading to the North Carolina Museum of Natural Sciences at Contentnea Creek in Grifton for 380 acres of outdoor adventure. This includes an educational center with interactive exhibits, kayaking and trails, nature classes, and astronomy programs at the planetarium.

For some indoor fun and exploration, there are plenty of options in Pitt County. Test your creativity and skill at Undaunted Escape Rooms or get enraged at Anger Management, a rage room in Greenville. The entertainment doesn't stop there – Sawyer's Fun Park in Winterville offers a trampoline park, laser tag, ropes course, ninja course, rock walls, and arcade for adventurers of all ages.

MORNING

Kickstart your day of adventure with Blackbeard's Coffee Roasters in downtown Greenville. Then, take your beverage of choice and breakfast pastries to go while you enjoy a walk along the nearby Greenville Greenway.

After your morning pick-me-up, get out on the water at River Park North or Wildwood Park. Both parks offer kayaking, canoeing, and paddleboarding launches, as well as docks for boating and fishing. If you're looking for some added adventure on wheels, check out the bicycle pump track and skills course and six miles of single-track mountain bike trails at Wildwood Park.

EVENING

When you're ready for some evening entertainment and food, check the Pitt County Arts Event Calendar for an extensive lineup of live music and performances at local restaurants and bars. Plus, there are more than 100 free community concerts and festivals annually throughout Pitt County at indoor and outdoor venues.

You can also work on your "PassPork" by visiting the Brew & 'Cue trail spots in Greenville, Winterville, Ayden, and Farmville. This trail will guide you to five breweries and seven barbecue restaurants, including the James Beard "Americas Classics" award-winning restaurant Skylight Inn BBQ, which has been cooking whole hogs over wood since 1947.
