EVINGTON EYECARE

# Your enhanced and exclusive eyecare plan

At Evington Eyecare we are committed to providing the best eyecare available. Our Care Plan is a simple way to make sure that the long term health of your eyes and your vision is taken care of.

Our full enhanced eye examinations include use of the latest technology (far exceeding that provided by the basic NHS sight test). You will receive the most up-to-date and appropriate tests for you, whenever required, at no additional charge.

The Care Plan benefits are designed to give you complete peace of mind, ensuring that you are always able to access the most comprehensive eyecare that we can offer.
