MASS TIMBER GROUP

S U M M I T

ATTENDEE COMPANY DIRECTORY

256 Companies · 17 Industries

Hey!

Here's a list of 256 mass timber-focused companies that you can connect with — for free. How do we know they're serious about mass timber? They invested in coming to the Mass Timber Group Summit over the last 3 years.

This means you know they've either worked on mass timber projects, or they're actively pursuing one. Because you can't get into the Summit unless you are.

Reach out. Connect. Grow your network.

The industry needs more collaboration.

If you want to connect with companies like this in person, check out the Summit at masstimber.group

WHAT'S IN THIS DIRECTORY

Mass Timber Directory — Full list of 256 verified mass timber-focused companies, organized by industry.

Industry Summary — Company count broken down across 17 sectors.

Industry Summary

Architect	58
Engineer	42
Construction	39
Developer/Owner	38
Mass Timber Manufacturer	25
