Smart Surround

COLLECTION

Fixtrelite™

SMART SURROUND COLLECTION

Transform Everyday Spaces into Memorable Experiences

The Smart Surround Collection redefines what your space can be. Built to elevate both form and function, it features three purpose-driven systems designed to turn your SmartStore or MicroMarket into a standout destination—one that captures attention, builds trust, and keeps people coming back. From multifamily communities and senior living to hotels, corporate lounges, and higher education environments, Smart Surround transforms everyday spaces into memorable experiences.

KEY FEATURES

PRO Series

- ✓ Updated header and bay sizes for greater flexibility and more quick-ship opportunities
- ✓ Compatible with most Minus Forty, 365 SmartStore, Imbera, SandStar, HaHa, Stockwell, and MicroMart coolers and freezers
- ✓ New A-frame shipping format for easier receiving, simpler handling, liftgate delivery support, and lower shipping costs

STOCKWELL Series

ELITE Series

- ✓ Delivers a stylish, curated look that elevates any environment
- ✓ One versatile solution that supports both SmartStores and MicroMarkets
- ✓ Fully assembled, slide-in snack unit option for fast, clean integration

- ✓ Easy access to door locks for simplified serviceability
- ✓ Ships partially assembled.
- ✓ Updated finishes for a modern, intentional appearance

Executive

v4.1

Executive Collection

v4.1

These pieces were created to define micro market spaces that demand an iconic look above all else. Featuring quick tool-less assembly, increased capacity, functional flexibility, and brand customization. They uniquely furnish in a way that is visually integrated and positively impactful to the consumer experience. Customer reviews read "Our brand is valuable and we needed the right product to represent it. Stunning. Visionary. Custom. Executive.

Fixturelite is the best possible investment to sell more products in your market. The made-in-the-USA retail displays, fixtures, and racking provide superior product presentation, deliver an exceptional total cost of ownership, create an exceptional experience for the consumer, and a quick to assemble, flexible, and hassle-free ownership experience for the operator.
