

INTRODUCTION OPTION 1

“ Our speaker today brings the future to the stage — not at some distant point in time, but right now.

For over 25 years he has been guiding leaders around the world and has inspired more than 42,000 people.

He connects leadership with Artificial Intelligence and demonstrates why Human-AI teams are the workforce of the 21st century.

Look forward to clear impulses, fresh perspectives, and genuine "aha" moments.

A very warm welcome, **Wolfgang Eder!**

INTRODUCTION *OPTION 2*

“What happens when leaders suddenly find themselves managing not only people — but also AI?”

Our speaker today is addressing exactly this question — and delivering answers that could not be more timely.

With international experience, thousands of workshop days, and a clear mission, he shows how collaboration between humans and AI truly works.

He makes one thing clear: the future is not an either-or — it is a powerful working together.

Please welcome **Wolfgang Eder!**”
