

# THE FUTURE IS OPEN: PaymentsFN

September 16, 2025 | Andaz Hotel, Miami Beach

An exclusive one day event for payments decision-makers, innovators, and strategic operators.

## Why Attend PaymentsFN?

### See what's next.

Join a curated group of fintech leaders, enterprise merchants, SaaS platforms, and payments professionals shaping the next evolution of payments.

### Learn from the best.

Hear from world-class experts like Cornell's Frank Pasquale (AI & ethics), Spreedly CEO Justin Benson, and leaders from Visa, PayPal, and more on the intersection of innovation, compliance, and conversion.

### Make strategic connections.

Participate in powerful discussions and small-group sessions designed for candid sharing and real collaboration. You'll leave with more than insights—you'll leave with a playbook and a peer network.

### Experience it all in Miami.

Held at the beachfront Andaz Hotel, PaymentsFN blends executive-level content with unmatched hospitality and an unforgettable setting.

# What's Included.

- Full access to all keynotes, panels & breakouts
- Breakfast, lunch & hosted reception
- Curated networking experiences + happy hour
- Discounted hotel rates at the Andaz

## Session Highlights

*The Future is Open* – Opening keynote with Spreedly

*The Future is Connected* – Visa panel on global interoperability

*Choose Your Future* – Breakouts on tokenization, automation, compliance, and global scaling

*From Transactions to Transformation* – Real-world case studies

## “Why should we invest in this?”

**Because your payments stack is your growth strategy. PaymentsFN equips attendees with:**

- Tangible strategies to increase conversion and reduce failed transactions
- Firsthand insights from payments leaders and enterprise merchants
- A view into what's next—from AI and orchestration to compliance and customer experience
- Actionable frameworks to bring back and implement

Your time is valuable. We promise to deliver a full day of impact that pays off in months of insight and strategic clarity.
