

HIGHER EXPECTATIONS COMMUNITY CHURCH

2025 Year-End Ministry Impact Summary

As we close this year, we give all glory to God for His faithfulness and for the way He has used Higher Expectations Community Church to advance His Kingdom. Together, we remain committed to our mission of **reaching people, transforming lives, and making Jesus famous**, and our vision of forming **fully devoted followers of Jesus Christ**.

This year, we saw God move powerfully among us through salvations and baptisms, weddings and baby dedications, and continued spiritual growth. Each week, new guests joined us for the first time, with **156 new members** becoming part of our church family.

Families were served with compassion through our Helping Hands Food Pantry. Lives were strengthened through Faith and Finance classes. Our youth encountered God at Summer Camp, marriages were built up through Couples Connect Groups, and disciples were grounded through Sunday School and our midweek Berean Bible Study, which continues to fan the flame of faith.

This is our **vision in action**: men, women, students, and families living out their faith through worship, discipleship, service, generosity, and mission.

God also expanded our impact beyond our walls. We served neighborhoods like Haverstock and Meadowbrook, partnered with Title I schools, and blessed families through Back-to-School outreach, Boxes of Love, and our Great Christmas Toy Giveaway. Globally, leaders were equipped through our Uganda mission trip, and lives were impacted through our ministry partnership in Haiti. From Humble to Haiti and Atascocita to Africa, God used this church to live out the Great Commandment and the Great Commission.

None of this would have been possible without the **radical generosity** of our church family. Through your faithful giving, prayer, and service, ministry was not limited but expanded, strengthening families, equipping leaders, and carrying the gospel near and far.

As we look back with gratitude and ahead with faith, we are confident that the same God who has been faithful will continue to lead us forward. Together, we will keep reaching people, transforming lives, and making Jesus famous.

To God be the glory.
