

Spirit of Giving

*Milwaukee & Lake Country
Homeless Population*

This year for Spirit of Giving, Crosspoint is partnering with Little Light Ministry to collect essential items for those experiencing homelessness and for local schools serving students in need. Your generosity will help bring warmth, comfort, and hope to our neighbors during the coldest months of the year.

What We're Collecting

We're focusing on warm winter clothing for kids and adults (men and women) — anything that helps someone stay warm outdoors.

Suggested items include:

- Winter coats and jackets
- Sweatshirts and sweatpants
- Hats, scarves, mittens, and gloves
- Warm socks and winter boots

Blessing Bags

In addition to clothing, we're assembling Blessing Bags that can be handed out to people in need.

These 2-gallon bags will include:

- Socks, gloves, and hand/foot warmers
- Bottled water and snacks
- Small hygiene items
- Any other small comfort items we can fit

We'll also be vacuum-sealing coats to keep in cars — ready to share when you see someone walking without something warm to wear.

Why It Matters

We've heard from local teachers that kids are arriving to school in tank tops, without socks, and without coats. Your donations will go directly to Little Light Ministry, local schools, and people in need throughout our area. Through a spirit of generosity, let's come together to meet the needs of those around us.
