

Privacy Policy

This website may use embedded content from platforms like Spotify, SoundCloud, or YouTube, which may collect cookies or tracking data.

If you contact me through this site or submit any form, I may collect and store personal information such as your name, email address, and message. This information may be used to respond to you, provide updates, inform you about future projects, releases, or opportunities, or for other business purposes.

I may also share or sell user information with trusted third parties, such as collaborators, marketing partners, or platforms, to help promote my music and projects. Any data shared will only be used for relevant creative or business-related purposes.

By using this website, you consent to this data collection, storage, and potential sharing.

You may contact me at any time to request that your information be updated or deleted.
