

Mexico Medical Device Production Executive Tour

(Note): Agenda below is preliminary. Times and details will be confirmed soon.

Sunday, February 22, 2026

- Travel Day | Arrive and overnight at Houston Hobby International Airport Hotel

Monday, February 23, 2026

- Private charter to Entrada's Fresnillo, Zacatecas Campus
- Zacatecas Campus tour
 - Visit a global electronics and plastics manufacturer that expanded to Mexico to reduce reliance on Asia, enhance cost-competitiveness, and be closer to U.S. customers without starting from scratch or sacrificing I.P. protection.
 - Tour of Entrada's Shared Services Center
- Depart for (and overnight in) Celaya, Guanajuato

Tuesday, February 24, 2026

- Briefing with economic development representatives from the State of Guanajuato
- Celaya, Guanajuato Campus tour
 - Tour the facilities of two U.S.-based medical device manufacturers
 - Visit a clean room facility
- Peer Meetings: Q&A session with corporate executives and principals manufacturing in Celaya
- GTO Life Innovation and Technologies Cluster: Foreign Direct Investment overview
- Local Supplier Q&A: Insights into the regional supply base
- Overnight in Celaya, Guanajuato

Wednesday, February 25, 2026

- Travel Day | Return to Houston Hobby International Airport
