Summary of Meeting (Dot Points):

- Review of Eastern Area HHS Focus Dates and Columbia Chapter HHS Upcoming event. There is an issue with the Black Family Wellness Expo date scheduled on March 15th and our chapter's event with St. John's on April 19th. The members decided that the St. John's event should not count as the Black Wellness event due to the dates. We will look at another event for Black Family Wellness. Link Diane Martin stated there may be an event that we could collaborate with the school system.
- We are preparing for the Johns Hopkins Howard County Medical Center Neighborhood marketing initiative with 11 locations. The facet decided that 11 locations are too many and decided on 5 locations. Link Rhonda will discuss with Links Judy S. and Cathy to narrow down the locations.
- Our EA HHS is asking that each chapter distribute 100 blood pressure cuffs in our community. We discussed the price and decided that we should purchase less due to our budget. Members suggested that we do a how to take your blood pressure training session at one of our events.
- Mental Health Forum- Link Rhonda has contacted HCC liaison to finalize a date so we can begin the planning process.

- Black K.A.R.E. – Link Rhonda stated that she emailed Link Jylana, National Chair, Black K.A.R.E. asking for an update but has not received a response, she will follow-up.
