Tier 3 (Offshore)		\$2.85	\$20,976

Volume price discounts are available to clients with a minimum monthly fee commitment according to the above schedule.

If client has a volume price agreement and exceeds the threshold for the next tier, the lower price from the higher tier will be applied for the month automatically.

If client has a volume price agreement and does not reach the minimum agreed spend for the month, the agreed minimum monthly fee will be invoiced.

Volume price agreements have a minimum 3 month contractual term.

Volume price agreements are subject to change upon expiration of contractual term.
