ONCE IN A LIFETIME

WHAT TO EXPECT?

In March 2026, BEAT Expeditions is heading to Sweden for an unforgettable winter adventure: participating in the legendary Vasaloppet race!

From Friday to Monday, we'll take care of everything - accommodation, logistics in Sweden, and meals, so you can fully focus on the experience. But the weekend is just the tip of the iceberg.

We'll be guided by an expert in terms of food and preparation, and train as a team for the big day: the race on Sunday.

HIGHLIGHTS

JOIN ONE OF THE WORLD'S MOST ICONIC SKI RACES

The highlight of the expedition is the legendary Vasaloppet - a 90 km cross-country ski race through stunning Swedish scenery. This trip starts in the dark at 07:00 in the morning and will end around dark in the evening. The race needs to be finished within 12 hours. Do you accept the challenge?

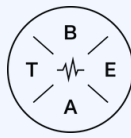

TOGETHER WITH A COMMUNITY OF PASSIONATE ADVENTURERS

The expedition brings together like-minded individuals aiming to complete the Vasaloppet as a team with joint training sessions, and a complete training and nutrition plan, and to top it off, a former Olympic athlete will join the crew, the perfect rival to BEAT on the trail!

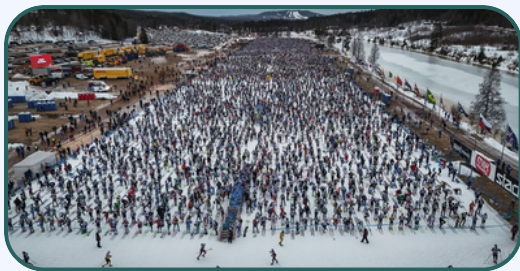

WHILE IMMERSING YOURSELF IN THE SWEDISH WILDERNISS

The Vasaloppet trail runs through Dalarna County, a winter wonderland of pine forests, hills, and frozen lakes. Before the race, we'll have a training session on one of the neighboring tracks, followed by the possibility to go snowshoe walking, snowmobiling, or dog sledding.

ABOUT THE VASALOPPET

The Vasaloppet is the world's oldest and longest cross-country ski race, stretching 90 kilometers through the snowy forests of Sweden—from **Sälen to Mora**.

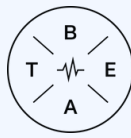

Each year, around 15,000 to 16,000 skiers participate in the big race – which can be considered the **'Elfstedentocht'** of Sweden

First held in 1922, it honors the historic journey of Swedish hero Gustav Vasa and has become a **oldest, longest and largest cross-country ski race** in the world.

The race ends in the town of Mora, where the **wooden portal** with the words:
"In the footsteps of our forefathers for future victories"
greet finishers.

Will it greet you in March 2026?
