

## **Holiday Pup Donation Drive at White Maple Dental!**

Dear Lancaster and surrounding communities,

This holiday season, we at **White Maple Dental**, owned by Dr. Nathan Riexinger, are excited to announce our **Holiday Dog Donation Drive** in partnership with **M.A.D. (Make a Difference) Rescue of WNY**.

As part of our commitment to giving back, we donate a portion of our proceeds from new patient exams to support this incredible organization. Dr. Riexinger has a deep connection with M.A.D., having helped transport over **300 dogs** over the last seven years, alongside his father, a commercial airline pilot. Together, we can make a difference in the lives of these loving animals.

We are reaching out to ask for your help! M.A.D. is in need of the following items to keep their rescues happy and healthy while they await their forever homes:

- Longer-lasting chews like “no-hides” and collagen chews
- Regular treats
- Bleach
- Laundry detergent
- Hose nozzles

### **Donation Details:**

**When:** Open for drop-offs on **Monday, Wednesday, and Thursday**

**Where:** White Maple Dental (460 Ransom Rd, Lancaster)

We sincerely thank the Lancaster community for any and all donations. Your generosity ensures these rescues are well cared for and loved during this holiday season.
