

Promptly for Dermatology

The All-in-One Patient Engagement Platform Designed for Dermatology

Fill Schedules & Reduce No-Shows

- **Automated Waitlist:** Say goodbye to phone tag. Keep schedules filled automatically.
- **Smart Scheduling:** Online self-scheduling, card-on-file booking, and instant rescheduling.

Convert & Engage Patients

- **Patient Conversion Platform:** Convert more leads with automated follow-ups and ROI analytics.
- **Seamless Communication:** Two-way texting, custom reminders, and contactless check-in.

Streamline Referrals

- **Integrated Portal:** Capture and manage referrals directly within your workflow.

Simplify Payments

- **Accelerate Collections:** Text-to-pay alerts, patient cost estimates, and real-time insurance eligibility checks.
- **Multi-Entity Collections:** Manage finances across locations effortlessly.

Real Results

One practice reduced no-shows from 16% to 5% (a 68% decrease)

Did You Know?

One practice eliminated 3,300+ staff calls using our automated tools.

Impact

Practices switching to Promptly's automated referral platform can increase booking rates by over 200%.

Stop wasting time switching between software

From first appointment to follow-ups, Promptly helps you schedule, manage referrals and more in one easy-to-use, connected platform.

Faster Onboarding
& fewer intake bottlenecks
