

Press Release for Samoan Media for publication on the 1st OCTOBER 2025

OCTOBER 2025 Retail Fuel Prices

The Minister of Finance has advised that the following changes in retail petroleum product prices, inclusive of VAGST, will apply from **1st October 2025**.

The retail prices for petrol and diesel have decreased, while the price of kerosene has increased, as follows:

- **Petrol:** decreases by 2.9 sene per litre, from \$2.99 to \$2.96.
- **Diesel:** decreases by 7.2 sene per litre, from \$3.16 to \$3.08.
- **Kerosene:** increases by 1.2 sene per litre, from \$2.66 to \$2.67.

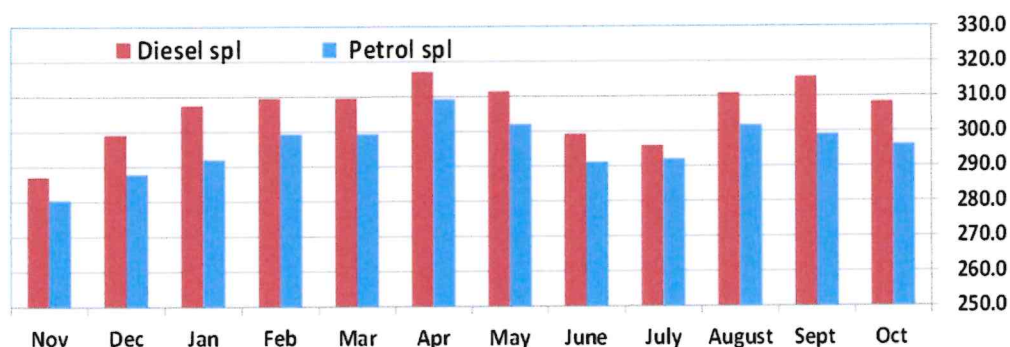

The October retail prices are based on August cargo uplifts from Singapore, delivered into Apia in September.

Price movements for both crude and refined products over the last three months have been relatively stable, although supply, political, and economic factors continue to influence prices both upward and downward. The market indicates that these conditions are likely to continue over the coming months.

Retail Prices from 1st – 31st OCTOBER 2025

Petrol	\$2.96 per litre
Diesel	\$3.08 per litre
Kerosene	\$2.67 per litre

Samoa Maximum Retail Price Nov 2024 -- Oct 2025
