JANUARY 2026 Retail Fuel Prices

The Minister of Finance has advised that the following changes in retail petroleum product prices, inclusive of VAGST, will apply from 1st January 2026:

- **Petrol:** increase by 5.2 sene per litre, from \$2.92 to \$2.97
- **Diesel:** increase by 11.9 sene per litre, from \$3.10 to \$3.22
- **Kerosene:** increase by 15 sene per litre, from \$2.70 to \$2.85

January retail prices are based on November cargo uplifts from Singapore, delivered into Apia in December.

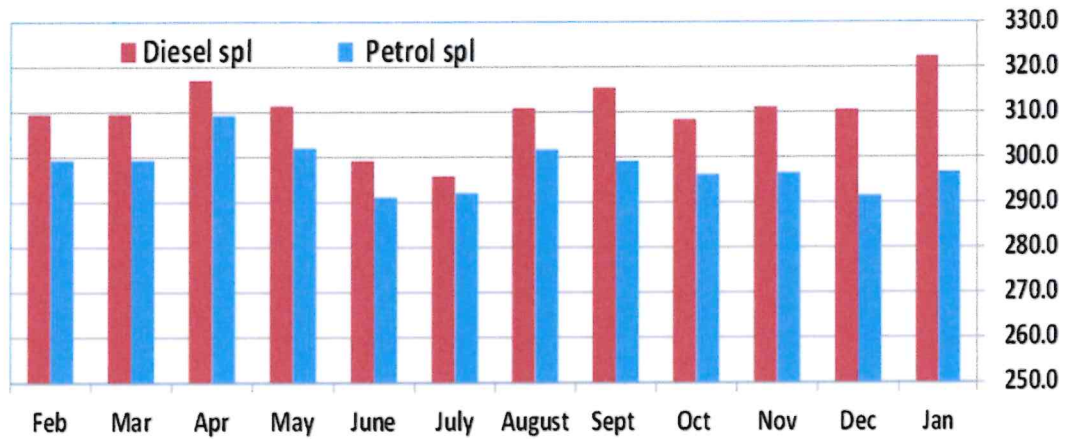

Crude and refined product prices increased during the month. It was a complicated month for the market, with the USA government lockdown adding to the ongoing political, economic, and supply uncertainties that the market has experienced all year.
