APRIL 2026 Retail Fuel Prices

The Minister of Finance has advised that the following changes in retail petroleum product prices, inclusive of VAGST, will apply from 1st APRIL 2026:

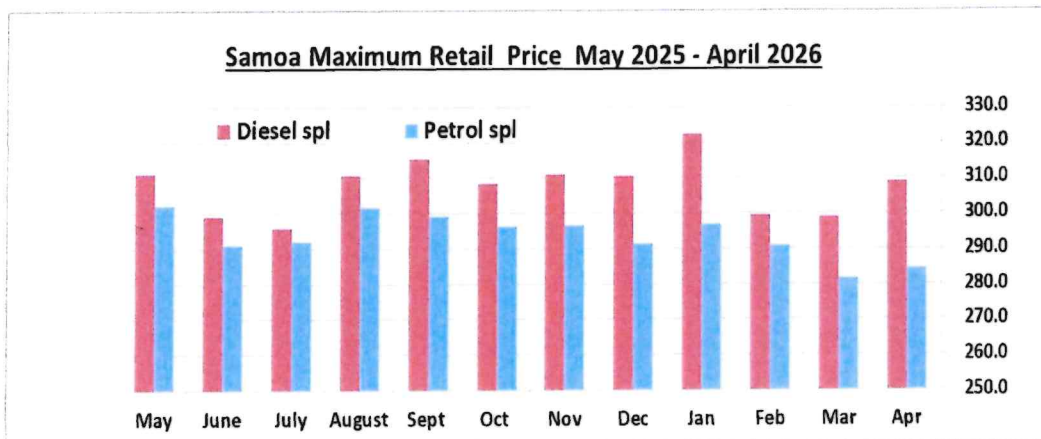

- **Petrol:** increase by 3.1 sene per litre, from \$2.82 to \$2.85
- **Diesel:** increase by 9.9 sene per litre, from \$2.99 to 3.09
- **Kerosene:** increase by 6.8 sene per litre, from \$2.63 to \$2.70

Samoa's April retail prices are based on the cargo uplifted in February from Singapore, which was discharged in Apia on 25 March. The increase in prices reflects market conditions prior to the outbreak of the Iran/USA/Israeli conflict.

Samoa's next cargo is due to load in late March/early April for delivery in early May. Please refer to the Government press release of 26 March 2026 for more information regarding the impact of the conflict on Samoa's fuel supplies and the Government's advice for fuel customers to remain calm and use fuel responsibly.
