**REQUEST FOR EXPRESSIONS OF INTEREST (REOI)
INDIVIDUAL CONSULTANTS – CIVIL ENGINEERS (2 POSITIONS)**

Date: 8th April 2026

Country : Independent State of Samoa
Name of the Project : ALAOA MULTIPURPOSE DAM PROJECT (AMDP)
Grant No : 0947/0948
Activity Title : **Civil Engineers** (2 positions)

1. The Government of Samoa has received financing from the Asian Development Bank toward the cost of the Alaoa Multipurpose Dam Project (AMDP) and intends to apply part of the proceeds for consulting services.
2. The consulting services (“the Services”) includes provision of engineering, technical and project management support across infrastructure planning, design review, procurement and supervision.
3. The assignment will be undertaken by Individuals (individual consultancy services) on a full-time basis in Samoa. It is anticipated that both Individual Consultants will commence as soon as possible for a three (3) year period, based at the MWTI Office (TATTE Building), Apia, Samoa.
4. The Ministry of Works, Transport and Infrastructure (MWTI) now invites eligible Individuals (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. This should include:
 - A cover letter clearly demonstrating how the Consultant meets the required qualifications, experience, and competencies, with reference to the key responsibilities outlined in the Terms of Reference (TOR);
 - An updated Curriculum Vitae (CV), including a description of experience in similar assignments and under comparable conditions; and
 - Three (3) professional references, including contact details.

Consultants should clearly demonstrate how their experience aligns with the key responsibilities and competencies outlined in the TOR. The criteria for selecting the Consultant are:

Mandatory

- a. A Bachelors' degree in Civil Engineering from a recognised university (Washington Accord accreditation or equivalent is desirable).
 - b. At least seven (7) years of relevant professional experience in civil engineering, including experience in infrastructure design, construction supervision, and/or project management, preferably in projects of similar scale and complexity;
 - c. Sound knowledge in civil engineering and standards, codes and practice.
 - d. Chartered Membership of Institute of Professional Engineers Samoa (IPES) or other Professional Engineering Institute is an advantage
5. The detailed TOR for the assignment and any further information can be obtained at the address below.
