Request for Expression of Interest **LTA CONSULTANCY SERVICES – FIRM SELECTION**

Name of Project: NATIONAL LAND TRANSPORT INFRASTRUCTURE PROGRAMME

Procurement Method: Pre-qualification for Request for Proposal

Reference No. 01-2025/26-LTA-U-CS

1. The Land Transport Authority (LTA), acting on behalf of the Government of the Independent State of Samoa, hereby invites eligible and suitably qualified consulting firms to submit Expressions of Interest (EOI) for the provision of consulting services for the above-mentioned project.

The consulting services ("the Services") involve the implementation of a multi-disciplinary infrastructure development and capacity-building program comprising four key technical workstreams:

- Road Infrastructure Measurement
- Asset and Pavement Management
- Capacity Building and Training
- Materials Science and Laboratory Services

The overall goal of the NTIP is to support evidence-based planning, institutional capacity development, and infrastructure sustainability across Samoa's road transport sector.

2. The services to be provided by the successful Consultant will include, but are not limited to:
 - Deployment of technical personnel and specialized equipment for road condition assessment
 - Integration of condition data into asset management platforms
 - Delivery of customized training programs and capacity development activities for LTA staff
 - Support for the digitization and accreditation of LTA's materials laboratory

 Land Transport Authority – Samoa

Please address all correspondence to the Chief Executive Officer

- Preparation and submission of analytical reports, road condition indices, and long-term infrastructure renewal plans
 - Use and training on LTA-owned equipment, including the Falling Weight Deflectometer (FWD)
 - Participation in program governance, monitoring, and reporting activities
3. The Land Transport Authority now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants must provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria include:

Shortlisting Criteria

Minimum Eligibility Criteria for the Firm:

- Valid business license and registration
- Proven experience in similar assignments involving:
 - Road condition assessment and data processing
 - Pavement and asset management
 - Capacity building and technical training
 - Materials laboratory strengthening and standards compliance

Minimum Eligibility Criteria for the Team Leader / Project Director:

- Advanced degree (Bachelor's or higher) in Civil Engineering, Transport Engineering, or related field
- Minimum of 10 years of professional experience, with a focus on infrastructure assessment, asset management, or public sector advisory
- Experience leading multi-disciplinary teams across large-scale infrastructure or institutional reform programs
- Prior experience working with or advising government agencies

4. To all firms who has submitted an Expression of Interest in the previous advertisement. If your firm has been determined:
- Successful, your firm is qualified for the Request for Proposal (RfP) phase and do not require a resubmission.
 - Unsuccessful, your firm is unqualified for the Request for Proposal (RfP) phase and would require a resubmission.
5. Further information including the complete TOR can be obtained at the address below during office hours 09:00 to 16:00 hours Samoa time.
