Request for Quotation (RFQ)

**“Supply and Installation of Security Chain-Link Fence,
Reinforced Concrete Retaining Wall, Gates and Site Access Work”**

RFQ Reference No.: ACC/RFQ26/27-01.

1. The Accident Compensation Corporation (ACC) invites interested and qualified contractors to submit a quotation for the **supply and installation of security chain-link fence, reinforced concrete retaining wall, gates and site access work for ACC lease land at Salelologa.**

2. Project Objectives:

The completed works shall:

- Provide a secure and durable boundary around the ACC leased property.
- Prevent unauthorised access to the property.
- Protect the rear boundary from soil erosion and surface runoff originating from the adjoining property.
- Provide safe and controlled vehicle and pedestrian access.
- Ensure effective site drainage to minimise water ponding and erosion.
- Deliver a durable, low-maintenance asset suitable for ACC’s future development of the site.

3. RFQ Documents can be uplifted from the address below quoting the above reference, or download them directly from the official Ministry of Finance website or ACC website:
