

Turn Climate Action into an upfront \$1M Premium Credit on your NYSIF Worker's Compensation Policy

The New York State Insurance Fund (NYSIF) now offers a 5% upfront premium workers' compensation credit (up to \$1 million per policy) for insured organizations that take the Climate Action Pledge and submit a compliant climate action plan. The premium credit is ongoing and can be renewed each year based upon successful enrollment in the program.

This is a first-of-its-kind program designed to reward organizations that take measurable steps toward sustainability and climate resilience, with immediate financial benefits.

Program Details

- Upfront credit (5%, up to a cap of \$1 million) on workers' compensation premium to help hospital system policyholders develop a comprehensive climate action plan.
- Ongoing premium credit to reward hospitals for each year they adhere to their plan.
- Ongoing access to NYSIF's risk control services, including climate-related training resources and a learning forum.

Who's Eligible?
