"We're leaning in. We just signed up for 20 agents. We have done one proof-of-concept build, and we're working on our second. ... The whole team currently spends 80 hours preparing accruals, and my colleagues and I spend about 30 hours reviewing them.

I think the accrual automation agent is going to **cut the prep time in half**, and it's going to **cut my review time by 25%.**"

**DIRECTOR OF ACCOUNTING, SOFTWARE**
