

ATHELAI EDGE II

DOWN HATHERLEY

Cotswold Oak specialise in select developments throughout The Cotswolds. We take great pride in designing and building traditional homes, with a focus on quality and placemaking.

ATHELAI EDGE II

DOWN HATHERLEY

Welcome to Athelai Edge II.

This exclusive collection of 3 & 4 bedroom homes is located in the sought-after village of Down Hatherley perfectly positioned between Gloucester and Cheltenham. All homes are built to our Signature specification with an exceptional finish throughout, delivering superior homes built with style.

COUNTRY LIVING

CLOSE TO AN HISTORIC CITY

The village of Down Hatherley is a popular area that bridges town and country living on the outskirts of Gloucester. There are excellent transport links plus easy access to modern urban amenities and the tranquility of open countryside right on your doorstep.

Gloucester, Cheltenham and Tewkesbury are all within easy reach and offer an excellent range of cultural activities, architectural delights, shops and restaurants.

However, one of the other big attractions here is the outdoor life and the opportunity to explore the many footpaths and bridleways nearby including along the River Severn plus easy access to beautiful walks and trails in the Forest of Dean.

LOCAL AMENITIES

There is a Co-Op food store and bakery just round the corner, with larger supermarkets just a few miles away. For local relaxation, Hatherley Manor and Spa is a 17th Century manor set in a parkland estate, or you can visit Brickhampton Golf course or the Gloucester Padel Centre for sporting exercise. Norton CofE primary school is just a mile away with many other options in nearby Churchdown and Gloucester while there are a host of excellent renowned secondary schools in both Gloucester and Cheltenham.

THE CITY OF GLOUCESTER

Gloucester combines a rich history alongside modern shopping and amenities. The stunning Cathedral has a 1300-year long history with world-famous architecture sitting alongside cobbled streets and iconic black and white timbered buildings. There is a thriving arts and entertainment scene with festivals, food fairs and music events. The historic Victorian docks is now home to museums, bars and restaurants alongside stylish shopping at Gloucester Quays.

TRANSPORT CONNECTIONS

TRAVEL OPTIONS MADE EASY

Down Hatherley is positioned on the outskirts of Gloucester, adjacent to the A38 running from Tewkesbury to Gloucester, and benefits from some great transport links. It's just a 5-minute drive to the A40, at the Longford roundabout, which then allows easy access to the M5 to the south, Cheltenham to the east and Ross-on-Wye, the Forest of Dean and Wales to the west.

The nearest train station is in the centre of Gloucester with regular direct services to Bristol, Birmingham and London Paddington but you can also get a service to Cheltenham Spa which takes just 10 minutes.

Bristol and Birmingham International are the closest airports but Cardiff, East Midlands and Heathrow airports are all within a 1 hour 45 minute drive meaning international travel connections are within easy reach.

Down Hatherley is ideally located to benefit from excellent road and rail links.

FUTURE PROOFED FOR MODERN LIVING

BUILDING SUSTAINABLE COMMUNITIES

Cotswold Oak Homes is a responsible developer that cares deeply about the effect that modern construction methods and materials can have on the environment.

We consider the levels of carbon dioxide emitted during the construction process as well as during the lifespan of each home, and by reducing our carbon emissions throughout the build we're delivering sustainable and efficient homes which are fit for the future.

Our commitment to building future proofed homes includes:

- Solar panels to all private plots
- All homes installed with EV car charging points
- Insulation below damp proof course as per Part L Regulations
- Thermally broken energy efficient lintels*
- 500mm insulation to lofts*
- Wastewater heat recovery systems to all plots
- Sustainably sourced timber products
- Thermal efficient masonry wall construction with a High U Value rating

* Where applicable

OUTSTANDING HOMES

CRAFTSMAN FINISH

Established in 2004, Cotswold Oak has grown over the last twenty years to become one of the most recognisable and successful construction companies in the Cotswolds and surrounding areas.

Over this time, we have delivered in excess of 250 new homes and seen families grow and flourish within a Cotswold Oak home – making memories and building futures.

TESTIMONIAL

"It's been a 5-star journey from the very beginning. Our home is beautifully and solidly built, with great attention to detail throughout. The quality really stands out.

Your customer service has been absolutely brilliant, helpful, responsive, and supportive every step of the way.

We're genuinely enjoying living in our new home and would highly recommend Cotswold Oak to anyone looking to buy a new build house, a thoughtfully designed, well-built home"

QUALITY & CRAFTSMANSHIP

Born out of a successful Cotswold joinery business, we still craft bespoke handmade timber joinery items in our dedicated workshop using select hardwoods picked for their durability and aesthetic appearance.

Experience and skills have been gained in utilising oak for the practice of structural oak framing using traditional techniques with modern materials.

As well as delivering outstanding homes as part of select housing developments across the Cotswolds we are also involved in one-off bespoke construction projects working on individual buildings of outstanding quality.

Protection for new-build home buyers

Note: These particulars are intended as a preliminary guide for prospective purchasers and should not be relied upon. The elevational treatment for individual house types shows a typical arrangement. Details of materials and design treatments may vary. Any artist impressions shown are not intended to represent any particular plot. Purchasers are advised to inspect the layout plan to establish the arrangement of the house and surrounding property. Internal layouts show a general arrangement which may vary from plot to plot. The room sizes are approximate overall finished room sizes and are subject to normal building tolerances (i.e. $\pm 75\text{mm}$). Where described as 'maximum' this dimension is the longest available in that direction in that room. In all instances, purchasers are advised to inspect plot specific information which is available from our sales team. Nothing in these particulars or verbal assurance shall form or constitute part of any contract and are given without responsibility on behalf of Cotswold Oak. Cotswold Oak reserve the right to alter, re-plan, or amend any details be it aesthetic or dimensional, without consultation.
