

MILL MEADOWS
KEMPSEY

Cotswold Oak specialise in select developments throughout The Cotswolds. We take great pride in designing and building traditional homes, with a focus on quality and placemaking.

MILL MEADOWS
KEMPSEY

Welcome to Mill Meadows.

This outstanding collection of 1, 2, 3, 4 & 5 bedroom homes is located in the sought-after village of Kempsey just a few miles south of Worcester and within easy reach of the M5 motorway. All of these homes are built to our Signature specification with an exceptional finish throughout, delivering superior homes built with style.

TRANQUIL COUNTRYSIDE

NEXT TO AN HISTORIC CITY

The village of Kempsey is part of a large and diverse parish in South Worcestershire surrounded by open, tranquil countryside and within easy reach of the many amenities and attractions that the City of Worcester has to offer.

One of the big attractions here is the outdoor life and the opportunity to explore the many footpaths and bridleways nearby, along the River Severn or the arable fields and pastureland and the various Commons to the south and west. You can enjoy stunning views of the Malvern Hills in one direction plus glimpses of Bredon Hill and Abberley Hills in another.

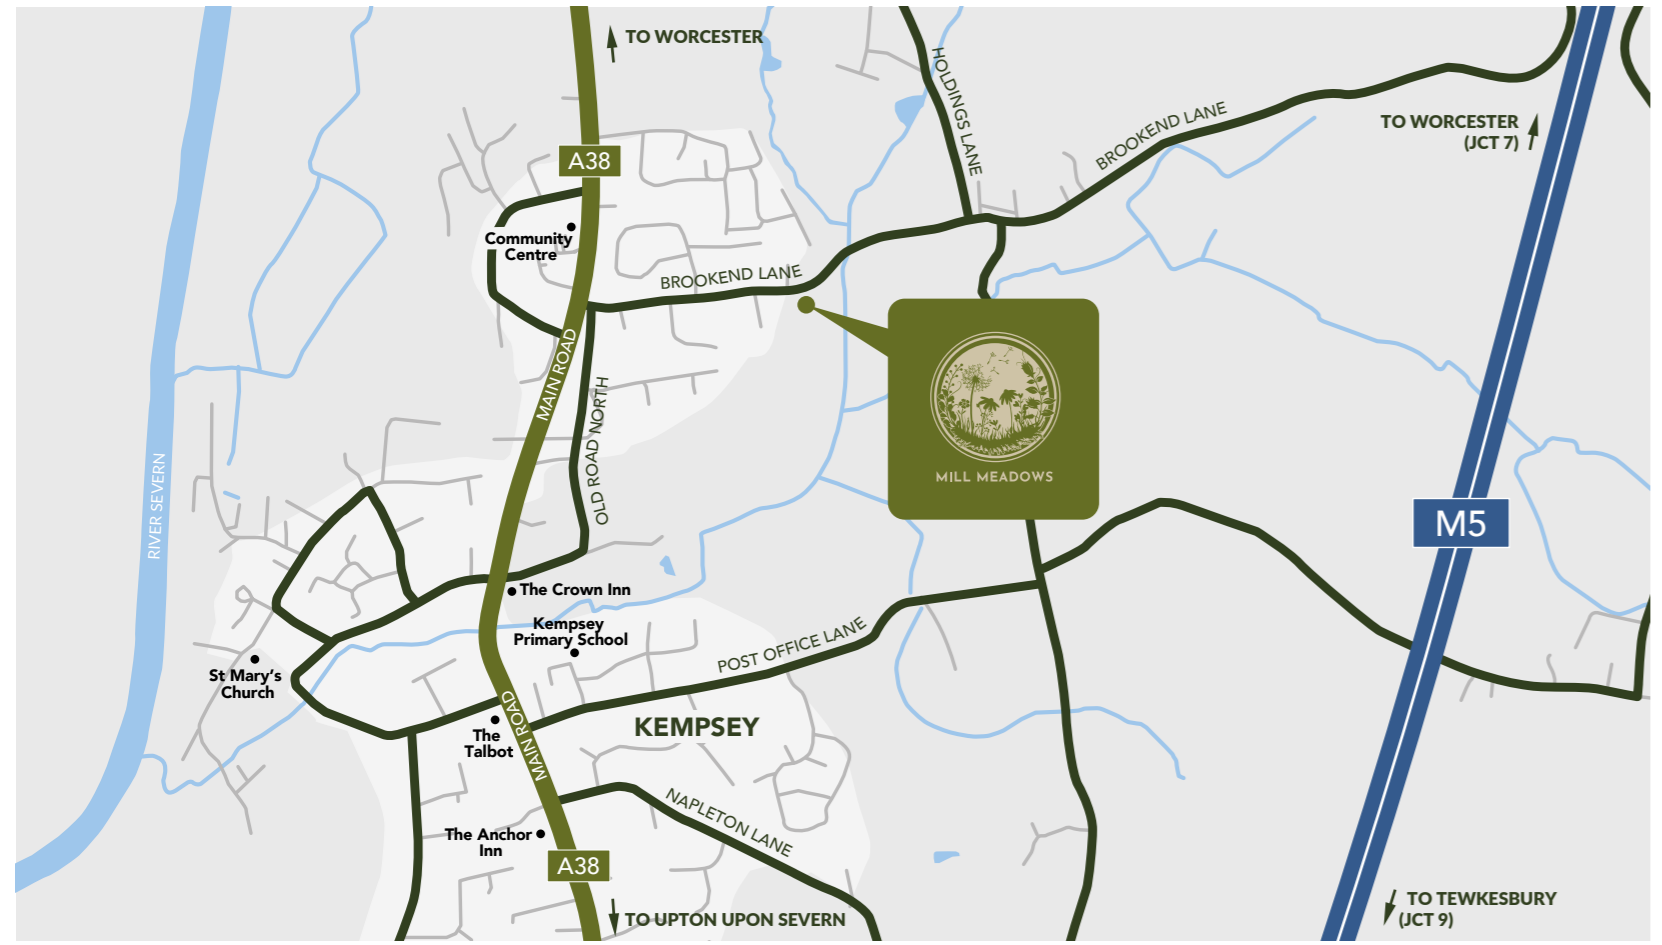

LOCAL AMENITIES

There are various local community facilities including a small Morrisons supermarket, Post Office, Parish Hall, Youth Centre and Community Centre. There are also a number of different public houses to choose from including The Crown, The Talbot and The Anchor Inn. For education, Kempsey Primary School has around 300 pupils and was rated 'Good' at last inspection. There are more options in Worcester and you'll also find plenty of secondary schools within a few miles.

THE CITY OF WORCESTER

Worcester is one of the oldest cities in the country and prides itself as a cultural city with a historic heart. The dramatic Cathedral dominates the landscape while cobbled streets and elegant architecture help impart important history. A rich programme of arts and events throughout the year offer entertainment alongside riverside parks and a range of shopping options including the Crowngate and Cathedral Square shopping centres.

TRANSPORT CONNECTIONS

TRAVEL OPTIONS MADE EASY

Kempsey is located in the heart of Worcestershire and benefits from some great transport links. It's just a 5-minute drive to junction 7 of the M5 (Worcester South) which allows easy access to Droitwich, Bromsgrove and Birmingham to the north or Tewkesbury, Cheltenham and Bristol to the south, plus the rest of the national motorway network.

The nearest train station is Worcestershire Parkway, 5 miles south of the City, with regular direct services to Gloucester, Birmingham and London Paddington but you can also get a service to the centre of Worcester (Foregate Street) taking around 10 minutes.

Birmingham International is the closest airport but East Midlands, Bristol, Heathrow, Liverpool and Manchester airports are all within a two hour drive meaning international travel connections are within easy reach.

Kempsey is located in the heart of Worcestershire and benefits from some great transport links.

INTRODUCTION TO MILL MEADOWS

There is a wide choice of Private Homes available at Mill Meadows ranging from the Foxglove, a compact 2-bedroom terraced property, right through to the Primrose, an impressive 5 bedroom home with a separate study, living room and open-plan kitchen/dining/family space, and a detached double garage.

The new development, which is on the north side of Kempsey, is located on Brookend Lane which is accessed off the main road (the A38) that runs through the village from Gloucester to Worcester.

PUBLIC OPEN SPACE

Mill Meadows enjoys an unusual amount of surrounding green space for a new homes development. The main street forms a natural buffer between the new homes and extensive areas of unspoilt parkland, grass and greenery, together with a new planned play area.

The vast public open space and views overlooking the countryside provide an attractive visual for residents and give a unique feel to this development.

FUTURE PROOFED FOR MODERN LIVING

BUILDING SUSTAINABLE COMMUNITIES

Cotswold Oak Homes is a responsible developer that cares deeply about the effect that modern construction methods and materials can have on the environment.

We consider the levels of carbon dioxide emitted during the construction process as well as during the lifespan of each home, and by reducing our carbon emissions throughout the build we're delivering sustainable and efficient homes which are fit for the future.

Our commitment to building future proofed homes includes:

- Solar panels to all private plots
- All homes installed with EV car charging points
- Insulation below damp proof course as per Part L Regulations
- Thermally broken energy efficient lintels
- 500mm insulation to lofts
- Wastewater heat recovery systems to all plots
- Sustainably sourced timber products
- Thermal efficient masonry wall construction with a High U Value rating

OUTSTANDING HOMES

CRAFTSMAN FINISH

Established in 2004, Cotswold Oak has grown over the last twenty years to become one of the most recognisable and successful construction companies in the Cotswolds and surrounding areas.

Over this time, we have delivered in excess of 250 new homes and seen families grow and flourish within a Cotswold Oak home – making memories and building futures.

TESTIMONIAL

"First house move in 31 years and we couldn't have made a better choice than Cotswold Oak.

From our first viewing, the Cotswold Oak team have been just brilliant - from Lisa in Sales, Mark and Greg - Site Managers and onsite maintenance. The few 'snags' have been dealt with without any problem whatsoever.

We are more than happy. The house and development is just perfect for us. We would highly recommend Cotswold Oak as a developer. Our sincere thanks to all the team for making our move and new home so enjoyable."

QUALITY & CRAFTSMANSHIP

Born out of a successful Cotswold joinery business, we still craft bespoke handmade timber joinery items in our dedicated workshop using select hardwoods picked for their durability and aesthetic appearance.

Experience and skills have been gained in utilising oak for the practice of structural oak framing using traditional techniques with modern materials.

As well as delivering outstanding homes as part of select housing developments across the Cotswolds we are also involved in one-off bespoke construction projects working on individual buildings of outstanding quality.

Protection for new-build home buyers

Note: These particulars are intended as a preliminary guide for prospective purchasers and should not be relied upon. The elevational treatment for individual house types shows a typical arrangement. Details of materials and design treatments may vary. Any artist impressions shown are not intended to represent any particular plot. Purchasers are advised to inspect the layout plan to establish the arrangement of the house and surrounding property. Internal layouts show a general arrangement which may vary from plot to plot. The room sizes are approximate overall finished room sizes and are subject to normal building tolerances (i.e. ± 75mm). Where described as 'maximum' this dimension is the longest available in that direction in that room. In all instances, purchasers are advised to inspect plot specific information which is available from our sales team. Nothing in these particulars or verbal assurance shall form or constitute part of any contract and are given without responsibility on behalf of Cotswold Oak. Cotswold Oak reserve the right to alter, re-plan, or amend any details be it aesthetic or dimensional, without consultation.
