Premium Brands to acquire Wynnchurch-backed Stampede Culinary Partners

Vancouver, B.C., December 11, 2025. Premium Brands Holdings Corp has agreed to acquire Stampede Culinary Partners, a US culinary solutions and protein platform back by Wynnchurch Capital.

The purchase price will be about 662.5 million. It will consist of \$512.5 million in cash and \$150 million of common shares issued by the company to the seller. In addition, the seller will be entitled to an earn-out payment of up to \$100 million based on Stampede achieving certain profitability targets following the acquisition.

Based in Bridgeview, Illinois, Stampede provides portioned, marinated and cooked beef, chicken and other protein products for restaurants, retail, home delivery and other channels.

Wynnchurch invested in Stampede alongside management and employees in June 2017.

Based in Vancouver, Premium Brands owns a range of specialty food manufacturing and differentiated food distribution businesses with operations across Canada, the US and Italy.

The acquisition of stampede will accelerate Premium Brands' growth by strengthening its presence in the US foodservice channel, enhancing its production capabilities, and providing it access to unused production capacity, the company set an a statement.

The deal is expected to close by the end of January 2026
