## RESTORE YOUR CREDIT, RECLAIM YOUR PEACE OF MIND

Even careful people can fall victim to identity theft. Edison's identity theft protection is designed to step in after fraud occurs – helping you recover quickly and with less stress.

With Edison's identity theft protection, your coverage includes:

- Damage assessment of your records and accounts
- A consumer fraud liaison between you and creditors
- Reimbursement of up to \$25,000 for attorney fees, lost wages, and more
- Credit monitoring and repair assistance until your credit is restored

All of this protection costs just **\$25 a year** – a small price with a big impact. Because when identity theft happens, Edison ensures you're not left to untangle things on your own.
