## A CLEAR VIEW

Your home is one of your biggest investments, and Edison helps you keep it secure.

An Edison homeowners policy helps to safeguard:

- Your dwelling, including attached structures like garages and porches
- Unattached structures like pools, fences, and sheds
- Everything you own inside the home
- Living costs if your home can't be used
- Legal costs for injury/property damage to others
- Medical costs for minor mishaps at home

## WE SHINE WHEN YOU NEED US MOST

Our claims team works quickly and efficiently so life gets back on track with minimal disruption.

Plus, we make managing your policy simple with:

- 24/7 access to manage your policy online
- Flexible payment options (most major credit cards accepted)
- A digital insurance card for your cellphone wallet

### Extra protection you can add:

- Animal liability
- Equipment breakdown & service line coverage
- Identity theft restoration service
- Screen enclosures
- Solar panels

**Save more** while protecting your home. Edison Insurance Company offers a variety of discounts, including savings for newer homes and roofs, monitored security systems, wind-mitigation features, and claims-free histories. Additional discounts may apply for seniors (55+), paid-in-full premiums, and homeowners with strong credit or regular AC maintenance contracts.
