About AI/ML Innovations Inc.

(CSE :AIML | OTCQB :AIMLF | FWB :42FB)

AIML deploys advanced AI and neural-network signal-processing to turn noisy biometric data- starting with ECG - into diagnostic-grade insight. Our flagship MaxYield™ platform, now in FDA 510(k) review, powers wearables and remote-monitoring systems worldwide. With recent advisory appointments, pilots launched in Cardiology Clinics across Canada, and deals with wearable & veterinary device companies, AIML is scaling validated, cloud-based ECG clarity for global healthcare.
