Booking Terms: Staying with Dogs

1 Dogs are accepted in our two dog-friendly cabins only (Mulberry and Hawthorn), with a maximum of two dogs per cabin. Dogs must be declared at the time of booking.

2 A dog fee of £50 per dog applies for stays of up to three nights, with £25 per dog charged for each additional night. Each dog is provided with a bed, water bowl and blanket.

3 We accept well-behaved, house-trained dogs up to 20kg, aged six months or over, that are up to date with vaccinations and flea and worming treatment. Bitches in season, and dogs of a type prohibited under the Dangerous Dogs Act 1991, cannot be accepted.

4 Dogs may be left alone in the cabin for short periods only, and must be calm and settled or secured in a crate or kennel. Dogs must be kept on a lead in the grounds, and are not permitted on furniture or in the wellness facilities.

5 Dogs are not permitted in the restaurant at any time. Guests wishing to dine with their dog may book a table in the Pub in advance through reception. We cannot be held responsible where guests are unable to dine on site because a table was not booked.

6 The lead guest must sign our Dog Agreement at check-in. A charge of up to £250 per item applies for any item soiled or spoiled by a dog, and damage caused by a dog will be charged at the full cost of repair or replacement, up to £5,000. These charges will be taken from the card held on the booking.

7 Owners are responsible for their dog at all times and liable for any injury, loss or damage it causes. 8 We reserve the right to refuse any dog, or to ask guests to leave, where our Dog Policy is not followed. No refund will be given.

9 Assistance dogs are welcome throughout Boys Hall free of charge. Please let us know at the time of booking.

Our full Dog Policy is available on request.
