May Moses Grass Company Warehouse send you non-marketing operational text messages from 912-491-5777 about inventory, purchasing, material availability, orders, deliveries and pickups? Message frequency varies. Message and data rates may apply. You can reply STOP to unsubscribe or HELP for assistance, or call 912-491-5777. Record the response privately

A clear affirmative response is required. Do not enroll a recipient who declines, is silent, or is uncertain. Record the recipient-provided mobile number, date/time, staff member, disclosure version and exact response. Retain completed records privately. Do not post them on the website.
