PRAYER IS IMPORTANT

-**Dianne Huie Timbrell**, a former member here with her parents **Bill & Nelda Huie**, lost her husband **Kelley**, suddenly following a medical emergency just after Thanksgiving. Please keep her & their children **Joel & Allie** as well as the extended family in your prayers during this time of loss.

-**Bob & Billie Jean Chadwick** asked for prayers for their grandson **Elisha**. He is having another surgery soon to hopefully correct the issue with his eye. Please keep him & the entire family in your prayers.

-**Sharon Donaghe** asked for prayers for **Pat & David McGinnis**. **Pat** is dealing with a blood clot in her lung & **David** is facing a serious cancer diagnosis.

-Please keep **Crystal Simpkins, Bob & Robin Murray's** daughter, in your prayers. She had a vessel break in her left eye Thursday @ work. **Bob & Robin** made an emergency trip to UCLA with her on Friday morning. The doctors say there was no change in inflammation, which was good. She will keep her Tuesday as scheduled. It was a tough 36 hours.

-**Ann Thompson** asked for prayers for her grandson-in-law **Jake Summers**. He is a green beret & is being deployed December 14th for 9-10 months. Prayers that **God** will protect him while he is gone & bring him back to his family safe & sound.

-Please keep **Don Ribble** in your prayers as he leaves Tuesday for Egypt for a couple weeks. Prayers for safe travel & a great trip.

-**Cat Aquino** asked for prayers for her friend **Evelyn**. She has many medical issues & was hospitalized through the holiday but was hoping to be released soon. Please keep her in your prayers.

-**Debbie Nelson** had prayers of thanksgiving for her daughter **Kara** & her husband **Kyle**. They seemed to have resolved their issues. God is good. Also, **Rhyse** got his brace off & has started his PT.

ENCOURAGING WORDS

The Best Medicine for the Heart!

If your heart is hurting, what's the cure? If your heart is lonely, what's the cure? If your heart is grieving or broken or damaged or despondent, what's the cure?

If you asked your friends to respond to those questions, what sorts of things do you think they'd offer as suggestions? Perhaps some folks would say that if your heart is hurting, lonely, broken or grieving..."Go to the bar," "Go to the club," "Hit the bottle," "Light it up," People look for cures in all sorts of different places.

Here is the cure that was stated by one whose heart has been deeply hurt, trampled and grieved more than most folks and more than many could handle: ***"The best medicine to cure the heart is to help others."*** Rather than hiding in a closet or lashing out at the world or throwing a pity party, a fellow Christian has found the cure—take the focus off of self and put it on others! What can I do today to make a difference in the life of someone else?

Of course, that "cure" is not new. **It is at the heart of the Christian faith!** We are urged, *"As we have opportunity, let us do good to all, especially to those who are of the household of faith."*

Gal. 6:10 Some folks wait for an opportunity. But Christians who know "the cure" aren't even satisfied with "waiting" for an opportunity. They look. They search. And if they cannot find an opportunity, they will even create one, just to be able to serve.

"The cure" of helping others is at the heart of Jesus Himself! On the night when His heart must have been grieved beyond measure, Jesus washed His disciples' feet and said, *"Do as I have done to you."* **John 13:15** In the garden, His soul was *"exceedingly sorrowful"* **Matt. 26:38**, and yet what did He do? He went to the cross to "help us"!

So, by His very example we see that **"The best medicine to cure the heart is to help others."**
