| ENCOURAGING WORDS |

Consistency!

Being consistent is one of the hardest things for a person to do. When a child is in school, often their behavior when the teacher is out of the room is not consistent with their behavior when the teacher is in the room. That translates to the adult life, when behavior while the boss is out of the office is not consistent with behavior while the boss is in the office. Consistency is tough!

Parents also struggle with being consistent. It is difficult, sometimes, as a parent to be consistent in how, when and why we discipline our children. Sometimes, we are not consistent in how we handle situations. Consistency is tough!

This is also true as a Christian. Our human struggles with consistency do not vanish when we are baptized or when we take a leadership role in the church. All Christians struggle from time to time with being consistent in their behavior. We do not always behave the same "outside the church building" as we do "inside the church building."

Being consistent is also a challenge when we are pointing the finger of condemnation and shame at someone for their behavior. Is it possible that we get upset with others for acting in a certain way, but then we ourselves do the same thing? Consistency is tough!

Read **Romans 2:1-3** – *You, therefore, have no excuse, you who pass judgment on someone else, for at whatever point you judge another, you are condemning yourself, because you who pass judgment do the same things. 2 Now we know that God's judgment against those who do such things is based on truth. 3 So when you, a mere human being, pass judgment on them and yet do the same things, do you think you will escape God's judgment?*

So remember, if it's wrong for them, it's wrong for me!
