ENCOURAGING WORDS

Pursuing Godliness

The word "godliness" is used almost exclusively by the apostles Paul and Peter in their Pastoral Epistles. Godliness refers to a life that is centered on God—a reverent, devoted way of living that seeks to please Him in all things. The word carries the idea of a "God-ward attitude," where one's conduct flows from a deep respect for and devotion to the Lord. What a beautiful thought!

This is more than outward religious behavior. It is possible to appear godly while lacking true devotion. Scripture warns about those who have "a form of godliness but deny its power." (**2 Tim. 3:5**) Jesus also cautioned against practicing righteousness merely to be seen by others. (**Matt. 6:1; 23:5**) True godliness is different. It is not about impressing people—it is about pleasing God.

Jesus perfectly demonstrated this attitude in His relationship with God: He said, "I always do those things that please Him." (**John 8:29**). If we are to follow Christ, we must adopt that same desire. Godliness shapes not just what we do, but why we do it.

So how do we develop godliness? It requires intentional effort. As physical health requires exercise, spiritual growth requires discipline. (**1 Tim. 4:7-8**) We must give attention to reading God's Word, applying it and using our abilities in His service.

It also requires removing distractions. Paul urges believers to flee things like materialism, pride and empty disputes, and instead pursue righteousness and godliness. We cannot grow in godliness while clinging to worldly priorities.

Most importantly, godliness requires proper motivation. Our goal must always be to glorify God—not to gain recognition, advantage or approval from others. When our motive is right, our actions will follow.
