Faith beats fear.
God hears prayers.
Miracles still happen.

THOUGHT FOR TODAY

Never apologize for having high standards. People who really want to be in your life will rise up to meet them.

SCRIPTURE FOR TODAY

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's Will is— His good, pleasing and perfect will. ~Romans 12:2

ENCOURAGING WORDS

A Healthy "Tongue"

There is much in Scripture that warns against and even condemns the improper use of our tongue. It certainly has the potential to defile our whole body, kindle a fire and curse men (Jas. 3:2-9) However, there is much good that we can do with this little member. While it can "condemn" us, it can also "justify" us (Matt. 12:37). What sorts of things can we do daily with our words that can cause the lovingkindness of God to shine upon us? Remember that "the tongue of the wise promotes health" (Prov. 12:18). What can we say *daily* to promote health?

Say, "Please!" Name one person with whom you might interact who does not deserve every ounce of your respect. "Please" conveys humility and kindness, which is the law which ought to govern the Christian tongue. Make "Please" a regular part of your vocabulary.

Say, "Thank you!" Name one person who does not need to know that you noticed them and what they did. From the person who goes out of their way for you to the person who is merely fulfilling their assigned obligation, every person deserves to hear you say express your thanks. Make "Thank you" a regular part of your vocabulary.

Say, "I appreciate you!" Name one person who does not need to feel appreciated. The world around us beats us *up* one day and then beats us *down* the next day. Christians have an opportunity to make a difference and build someone up, even folks who may be hard to encourage or might not deserve it in our minds. Make "I appreciate you" a regular part of your vocabulary.

Say, "God is good!" Name one person who does not need to be reminded that nothing else matters without God. These three simple words can help others to have a little light in their dark day or even open doors of opportunity to teach others. Make "God is good" a regular part of your vocabulary.

Does your tongue promote health? Give it a try!
