# Services and Prices Summer 2026

We care about every customer.  
you can depend on us for the  
little details that matter:

- No extra charges for the occasional extra barrel or non-curbside pickup!
- Speaking directly to the owner-not a machine if a question should arise.
- Our constant communication with rental agents to resolve any last-minute issues -with same-day results!
- Our flexibility in working with you on your off-season or custom pick-up needs.
