PROFILE

A multidisciplinary graphic designer with a knack for bold concepts and refined details. Currently pursuing an Advanced Diploma in Graphic Design at Humber College. From strategic branding to playful motion, I bring heart and clarity to every visual.

Looking to collaborate with teams that value curiosity, aesthetics, and purpose-driven design.

WORK EXPERIENCE

■ May 2021 – Present

Artmonkee - Toronto / Remote

Freelance Graphic Designer & Founder

- Built visual identities, menus, posters & packaging for small businesses and personal brands.
- Created acrylic/digital artworks and crafted clay/resin-based art objects.
- Directed brand-led social campaigns that boosted engagement and sales.
- Collaborated with writers, influencers, and clients for narrative-based design storytelling.

■ Jun 2022 – Nov 2022

Adarsh Jain Films - Mumbai

Graphic Design Intern

- Developed visual assets for short films and social media campaigns.
- Assisted in production of digital posters, thumbnails, and branded content.

■ 2023–24

Humber & Independent Projects

Design Highlights – Branding, UI/UX, Motion, Packaging

- Created brand identities, 3D packaging, websites, and motion graphics using Adobe CC, Figma, and HTML/CSS for projects including AUREVA, and Vero Stash.
